

PRINCIPAL'S MESSAGE

As we embark on this new academic year, our campus is brimming with vitality and hope. At this meaningful moment, I would like to invite everyone to take a closer look at our school badge—engraved with three significant letters: “W,” “B,” and “C.” These letters represent our school motto: “Wisdom, Benevolence, and Courage,” and embody the core educational values of our school.

W stands for “Wisdom.” Resembling a shining crown at the top of our badge, it symbolizes the power of knowledge and discernment. True wisdom is not merely the pursuit of learning but also using understanding to serve others. I encourage all students to ask questions courageously in class, apply what they have learned in daily life, and let wisdom illuminate both themselves and those around them.

B represents “Benevolence.” This letter, shaped like a full and vibrant heart, reminds us of the value of care and kindness. Just as the heart gives life to the body, benevolence is the heartbeat of our school community. Whether it’s sharing with classmates, helping teachers, or showing empathy to friends, every act of kindness makes our campus a warmer place. May we always carry this spirit and spread warmth through our actions.

C signifies “Courage.” Designed like a steadfast sword, it is not meant to confront others but to uphold justice and overcome challenges. Whether facing academic difficulties or standing up for what is right, I hope students will use courage as their shield and perseverance as their blade, nurturing a spirit of resilience and determination.

Starting this academic year, our school will deepen value education step by step, with this year being the “Year of Wisdom.” We have designed diverse learning activities, such as “Wisdom Tree Time” during assemblies and the “Wisdom Unlock” posters on stairways, to help students appreciate how wisdom enriches life and shapes character. It is my sincere hope that teachers, parents, and students will work hand in hand to practice the spirit of our school motto and nurture our children to become compassionate, resilient, and wise leaders of the future.

Wishing everyone a new academic year filled with growth, friendship, and memorable achievements! Let us work together to make this a fruitful and unforgettable year!
