## 2. Procedures for Absence on Formative Assessment Day

- 2.1. A student who is absent during the formative assessment day needs to provide a doctor's certificate or an approval for casual leave in order to attend make-up exams. Make-up exams will be arranged only on the first school day after the examination period. "ABS" will be recorded in the school report card for students who are absent for the formative assessment day.
- 2.2. For students who get permission to make up the tests/exams, the teacher will call the parents and notify them about the make-up test/exam arrangements.

## 3. The Chinese Reading Comprehension Test

The Chinese Reading Comprehension Test is conducted on a "Criterion Referenced Testing" form to assess students' cross-year academic performance and to analyze the success of our curriculum. Therefore, teachers will not return the paper to parents after checking the answers with students. However, if parents want to know the reading assessment performance of their child, they can come to school to check the test paper. Parents should inform the subject teacher if they wish to do this.
