## **No.20008 : TWGHs Ho Yuk Ching Educational Psychology Service Centre - The Shining Stars Group**

29<sup>th</sup> September, 2020

Dear Parent,

Our school has commissioned a non-governmental organization, Tung Wah Group of Hospitals, Ho Yuk Ching Educational Psychology Service Center, to provide group training for students with learning and social support needs.

The 'Shining Stars' group aims at supporting students with their emotional management and their self-management skills, including organization, planning, concentration, and time management through evidence based practices such as behavioral rehearsal. The training also aims at improving students' social skills, which includes emotional management and problem solving, through role play and interactive games.

Based on our assessment of students' learning and development needs, we believe that this training will enhance your child's learning and social participation in school. We therefore write to seek your consent:

1. The school will arrange for your child to participate in the 'Shining Stars' group;
2. In order to monitor students' progress and to assess training effectiveness, data on your child's performance will be collected at regular intervals. This data will include trainers' records as well as teachers' assessments of student performance.

Participation in this project is voluntary. For enquiries about the group training, please contact Ms. Ng, the social worker of the TWGHs Ho Yuk Ching Educational Psychology Service Centre (3752-8989).

Details are as follows:

Date: 15/10, 5/11, 26/11, 17/12, 25/2, 11/3, 15/4, 13/5

The online learning platform Zoom will be used during the period of half day classes. The time will be 3:00p.m.- 4:00p.m. The arrangement after full day class resumption will be announced on ClassDojo later.
