## No. 20014 : P4 Understanding Adolescent Project (Primary) - UAP

12<sup>th</sup> October, 2020

Dear Parents,

Our school has been invited by the EDB to join the 'Understanding Adolescent Project (Primary)'. One of the services is to provide students with an 'Intensive Programme', to enhance their resilience in coping with the challenges they have to face as they grow up.

These students will be joining a series of group activities, a training camp and child-parent activities. These activities aim to help the students in setting goals, enhancing their social skills, problem solving skills, emotional control and optimism so that they can acquire the necessary knowledge, skills and attitudes when facing adversities. The school will also invite parents to join the child-parent activities and a workshop of the 'Intensive Programme' in order to help their children in their growth. The details of the programmes are listed on the back.

The personal information obtained about you and your child will be used for assessing the efficiency of the programme only and will be kept confidential.

Please return the consent form on or before 14<sup>th</sup> October, 2020. If you have any enquiries, please call Mr. Leung King Hei at 2577-5188.
