## No. 20031: Supporting Online Learning of Financially Needy Students

13<sup>th</sup> November, 2020

Dear Parents,

To strengthen the support for financially needy students who are unable to acquire appropriate Internet services due to their living environment (subdivided units, old buildings and remote areas), the EDB will disburse a one-off grant to schools to purchase portable WiFi routers or mobile data cards. The beneficiaries are students who do not have access to appropriate Internet services (e.g. fixed broadband services), covering students receiving subsidies under the Comprehensive Social Security Assistance (CSSA) / School Textbook Assistance Scheme (STAS) and those with limited economic means.

If you cannot meet the Internet access needs for e-learning at home, you can still apply for a portable WiFi router or a mobile data card even though you don't meet the above criteria. The school has limited numbers of portable WiFi routers and mobile data cards for students to borrow. If the number of applicants exceeds the quota limit, we will determine the outcome by drawing lots.

Please complete and return the reply slip to the class teacher on or before 17<sup>th</sup> November, 2020. For any enquiries, please contact our I.T. Coordinator Mr. Kevin Ko at 25775188.
