

通告 Notice

No. 20057: Health Status Declaration

9th March, 2021

Dear Parents,

1. As the COVID-19 pandemic continues, parents should immediately notify the school in case of any of the following situations:
 - 1.1 Your child has been confirmed to have the COVID-19 infection; or
 - 1.2 Your child has been classified by the Department of Health as being a close contact or household member of a confirmed or preliminary confirmed case of COVID-19.

2. We strive to maintain high standards of hygiene of our school premises, and look after the well-being of our students. We hope that, after class resumption, students can return to their normal school life in a safe and healthy school environment. However, due to the rapidly changing nature of the COVID-19 pandemic, we will monitor the latest developments. Parents should also pay close attention to the latest announcements from our school as well as the EDB. We look forward to overcoming the adversities of the pandemic so that students, teachers and parents can resume a normal healthy life. Thank you for your support and cooperation during this difficult time.

Li Sing Tai Hang School

Ms. Shirley Yip, the Principal
