No.22010 : JC ADHD Group Training for Students(Group 1)

19th September, 2022

Dear Parent,

The school has commissioned 'TWGHs Ho Yuk Ching Educational Psychology Service Centre' to support students who need to improve their general skills and self-management skills through 'JC ADHD Group Training'. The program will enhance students' skills through targeted training strategies such as behavioral exercises. It will also enhance their organizational and self-management abilities through role-playing, interactive games, as well as other activities to improve their emotional management and problem solving skills.

Based on our assessment of students' learning and development needs, we believe that this training will enhance your child's learning and social participation in school. We therefore write to seek your consent:

In order to monitor students' progress and to assess training effectiveness, data on your child's performance will be collected at regular intervals. This data will include trainers' records as well as teachers' assessments of student performance, gathered through observation, questionnaires or interviews. Before the beginning of the training, and at the end of the training each year, you will also be invited to complete a questionnaire consisting of a few pages to give your views on your child's support needs. All data obtained will be kept strictly confidential and will only be used for this project. After the completion of the project, all personal identifiers (e.g. student's name and school) will be destroyed. Only the anonymized data will be retained.

Details are as follows:

Date: 6/10, 27/10, 17/11, 8/12, 2/2, 2/3, 20/4, 18/5

Time: 3:00 p.m.- 4:15 p.m.
