No.22045 : School On-site Free Vision Screen Program

21st November, 2022

Dear Parents,

The 'Hong Kong Vision Screening and Education Centre' will offer your child a free vision screen (eye test) on 14/12/2022 at our school during school hours. It aims to identify visual problems of children so that they can rectify the problem at an early age. If your child may require glasses, we will notice you after the test.

Please fill in the reply slip and return to the class teacher on or before 30th November, 2022. For enquiries please contact Ms. Lam Ka Yan by GRWTH or on 2577-5188.
