LI SING TAI HANG SCHOOL PARENT-TEACHER ASSOCIATION NEWSLETTER

Vol.4 | 2015 Sep Edition

## The 16th LSTHS Parent-Teacher Association Annual General Meeting and the 「Happy Family One Day Tour」

Our Association strives to strengthen the bond between families and the school, in the hope of forging a better relationship between parents and teachers as well as improving students' well-being. Parents, teachers and children went to the Hong Kong Harbin Ice Festival and had a lunch buffet in a hotel.

## Message from the Chairperson

The purpose of the Parent-Teacher Association is to build better relationships between parents and the school in order to ensure that the welfare of our children remains our top priority.

All our committee members would like to welcome you to the 2015-2016 academic year, and hope we can all support our children in their learning by providing necessary support at home and in school.

In the past, our association has organized talks, seminars, one day tours, and various outdoor activities for parents to enrich their experiences and to build better relationships with each other. We encourage all members to participate in the activities arranged by our association and the school, and to contribute your time and experience so that we can all achieve the school's motto and ambitions.

Our association also awarded scholarships to students who completed their homework. This scheme has encouraged students to complete their homework and to strive to achieve better results.

We encourage communication between parents and teachers by way of issuing newsletters every year, uploading news for activities on the school web page, and contacting parents by phone. The Parents Day is held every year in order for parents and teachers to exchange ideas and share experiences, and particularly to know and understand our children better.

We would like to encourage you to communicate with us or the school directly to express any views and opinions. You can do this by phone, email, or in person. We hope you can continue to support us to improve our children's education.
