School Alumni Volleyball Competition

Although the weather was not great during the Alumni Volleyball Competition, the alumni still enjoyed the competition very much. The champions were the Princess and Prince. The first-runner up was Kentucky Fried Chicken. The second-runner up was Supermen and Wonder Women. The third-runner up was The Rise. We look forward to the next Alumni Volleyball Competition next time.

LI SING TAI HANG NEWSLETTER

Visit of the Secretary for Commerce and Economic Development

The Secretary for Commerce and Economic Development, Mr. Gregory So, visited our school on 20th October 2016 to gain a better understanding of the learning of non-Chinese speaking students.

The principal first gave him a brief introduction on ways we assist our students, such as using English as the medium of teaching, developing their self-learning abilities and enhancing their learning efficiency through information technology. Mr. So then watched speech and dance performances by students in the school hall, and chatted with them about their studies and daily lives.

Mr. So is being briefed by the principal on ways we assist our students.

Mr. So is pictured with our students.

Mr. So is chatting with students to see how they enhance their learning efficiency through information technology.

School Picnic

Although the weather was not great on the School Picnic day, students and parents still enjoyed the activities at Po Leung Kuk Pak Tam Chung Holiday Camp. Students played on the trampoline, went rock climbing, made handicrafts and took part in the whole school activities sessions. All students left the camp full of joy and happiness. We are looking forward to the School Picnic in 2017.

Christmas Party

Violin and Flute performance

Christmas Song performance by Hong Kong Women's Choir

Christmas Celebration

Jazz Dance Performance

Christmas Costume Competition

Coke Drinking Competition Parents vs Teachers

Mathematics Day

The Mathematics Day was held on 11th January, 2017. The students were divided into different levels to take part in activities which were specially designed by teachers to cater for their learning needs.

We really appreciate all the support from the teachers and student volunteers from South Island School and the PGDE students from HKU. The volunteers were all helpful and worked really well with the kids and helped to make our Mathematics Day a great success.

Understanding Adolescent Project (UAP)

The Understanding Adolescent Project (UAP) enables students to have an in-depth understanding of resilience through engaging in challenging activities.
