LI SING TAI HANG SCHOOL

PARENT-TEACHER ASSOCIATION
Vol.6 | 2017 NEWSLETTER

Message from the Chairperson

On behalf of the PTA committee members, I would like to welcome you all to the 2017-2018 academic year.

The purpose of the Parent-Teacher Association ("PTA") is to build a healthy relationship between students, parents and the school. In order to achieve this goal the PTA arranged various activities last year. On 5th November, 2016, we organized a Family Game Day in Southorn Stadium followed by the PTA AGM. This was the first time we had organized such an activity. Parents and students actively participated in the games and activities.

The PTA organized three more activities in the year. The title of the activities were:

1. "Together We Can" Parent-Child Activity which aimed to promote interaction between parents and children and to create a positive family environment.
2. Parent Workshop: Laughter Yoga Activity. Everyone is busy with their own lives and we often do not have enough time for relaxation or physical exercise. The Laughter Yoga session was very helpful in teaching us to relax and enjoy the benefits of laughing. I am sure those who participated in this activity felt refreshed and relaxed.
3. The Handicraft Workshop was to make crystal accessories. Parents enjoyed this activity very much.

In my role of chairperson, I would like to encourage every parent to spend more time with their children. This can involve talking to them, checking their homework, playing with them and reading books so that they feel they are cared for and loved. By doing this, we will be able to see the growth and development of every child.

Finally, if you would like to express any views about the school and your child's education, please feel free to phone us or send an email. I would like to take this opportunity to thank each and every one of you for trying your best to work for the success of the school. I hope many parents and children can take part in this year's PTA activities. We look forward to working with you again this year.
