Message from the Chairperson

Welcome to the LSTHS Parent-Teacher Association,

The Parent-Teacher Association represents a partnership between parents and the school. We work collaboratively together towards a common goal for the well-being of our beloved children. Every year we organize a variety of programmes and activities to enhance school-home communication and tighten family connections.

Support from parents is crucial to the success of all PTA activities. We sincerely encourage you all to get yourselves involved and participate enthusiastically in our activities. It will be beneficial to your child and also connect you more closely and meaningfully to your child’s school life.

I have been a member of the LSTHS Parent-Teacher Association since 2016 and this year I was elected as the Chairperson of the committee. However, due to the COVID-19 pandemic, we have cancelled the 22nd LSTHS Parent-Teacher Association Annual General Meeting and “Happy Family One-Day Tour” this year. I feel fortunate as I am still able to work with wonderful professional people to build a better place for our children. Our committee will continue to collaborate and come up with ideas with the school team and parents to help shape our children’s future.

On another note, I really appreciate the efforts of the school management team, teachers’ team and administrative team who have swiftly helped our children to adapt to a virtual classroom instead of a face-to-face classroom. They have worked tremendously hard in keeping every possible way open for our children’s growth and in supporting us as parents. I hope this relationship keeps growing in a fruitful manner which truly benefits our children’s well-being. Lastly, we hope we can overcome this pandemic, and our children can continue to bloom in their lives.

In this academic year, my fellow committee members and I will strive hard to accomplish our mission. We look forward to hearing your views, comments and suggestions and meeting you in our upcoming activities after school re-opening or virtually during school closure.

The 21st LSTHS Parent-Teacher Association Annual General Meeting and the Family Games Day

The Parent-Teacher Association strives to strengthen the bond between families and the school, in the hope of forging a better relationship between parents and teachers as well as improving students' well-being.

On 3rd November, 2019, we held a Family Games Day in the school. Many parents and their children came and enjoyed the day.
