LI SING TAI HANG SCHOOL
PARENT-TEACHER ASSOCIATION
Vol.10 | 2023 **NEWSLETTER**

Message from the Chairperson

It is my great honour to be elected as the Chairperson of the Parent-Teacher Association (PTA) for this academic year, and I would like to express my sincere thanks to all parents, principal and teachers for your support and trust.

Being a member of the LSTHS PTA since 2018 and the Incorporated Management Committee since 2021 has allowed me to work with remarkable individuals to build a better place together for our children. Along with the rest of our PTA committee, I would like to welcome you to the new academic year.

There is a beautiful quote from Judith Billings which can summarize my key messages for this year,

**“Children are the Priority,
Change is the Reality,
Collaboration is the Strategy.”**

Children are the priority. The best way to make children good learners is to make them happy. PTA represents a friendly partnership between parents and the school. We work collaboratively to provide children with a joyful environment to achieve their potentials. Every year we organize a variety of fun programmes and activities. These activities not only enhance school-home communication but also empower parents with better parenting skills to nurture your children.

Change is the reality. As we traversed the challenges of Covid over the last three years, we have certainly learned to be brave and strong in unprecedented times. Although the LSTHS

Parent-Teacher Association Annual General Meeting and “Happy Family One-Day Tour” were cancelled, we made every effort to organize various virtual or smaller scale workshops and seminars during the pandemic. This year, school is gradually back to face-to-face sessions and we hope everyone is refreshed and ready for the new school life. We will embrace the “new normal” and continue to come up with ideas with the school and parents to help children explore and develop their talents.

Collaboration is the strategy. Support from parents is the key to the success of all PTA activities. We sincerely encourage you to get yourselves involved and participate enthusiastically in our activities. With your active support, we can strengthen the connection and trust among parents, teachers, and children to foster a happy and harmonious school life. In this academic year, my fellow committee members and I will strive hard to accomplish our mission.

As we step into this new journey together, let us be purposeful in being refocused, resilient and ready to excel! We look forward to hearing your views, comments and suggestions and meeting you in our upcoming activities.

Online Parents Workshop

We have cooperated with the TWGHs Jockey Club Lei Tung Integrated Services Centre to hold two sessions of 'Quality Time with Your Child – Parent-Child Online Workshop' to enable parents to have quality time with their children.

Parent Nagomi Art Workshop

Our school cooperated with the St James' Settlement Youth Services Causeway Bay Integrated Services Centre to hold two sessions of 'Me Time: My own enjoyment – Parent Online Workshop' for parents, and to develop parents' own Me Time. Parents used Pastel Nagomi Art and artwork with marble pattern to design their own artwork.
